

Staying Connected At a Distance

Protecting Yourself, Your Loved Ones
and Your Entire Community!

Spread Joy

(Not Germs)

#StayHomeStayConnected #ContraCostaConnected

The COVID-19 Pandemic sometimes separates us further away than 6 feet. Now more than ever, we need to rely on each other to stay safe, and to stay connected. Some people may be feeling even more isolated, including people who live alone and older adults.

The good news is that there is help if you need it.

If you need help getting food or other life necessities, are feeling isolated and don't know where to turn, you can call 211 or text "HOPE" to 20121. It is a safe, private and free resource.

211 also can link you to resources for social and emotional support if you're feeling lonely and depressed.

No need to do it all alone.

While you are staying home and protecting yourself and others, refer to this self-care checklist:

- ☐ What am I grateful for today?
- ☐ Who am I connecting with today?
- ☐ How am I getting fresh air today?
- ☐ How am I moving today?

Contra Costa County is currently under a stay-home order. We urge you to stay home as much as possible to prevent the spread of COVID-19 in our community. We understand the need to leave home for life necessities, so when you do, please keep yourself and your loved ones safe by referring to this safety checklist:

- ☐ Wear a face covering
- ☐ Bring hand sanitizer
- ☐ Keep 6 feet apart from others
- ☐ Stay outdoors, if possible
- ☐ If feeling sick, stay home

To schedule a COVID-19 test, call 1-844-421-0804 or visit cchealth.org/coronavirus
