COVID–19: KNOW THE RISK

Safer Choice

- Wearing a face covering near others
- Physical distancing outside the home
- Staying home if you feel ill
- Gathering in small groups
- Visiting older relatives via Zoom or Facetime
- Telecommuting whenever possible
- Socializing with friends outdoors
- Sports that allow physical distancing
- Speaking in a soft manner
- Taking a car

Riskier Choice

- Not wearing a face covering in public
- Getting close to strangers
- Going out even though you are sick
- Joining a large crowd
- Visiting older relatives in their homes
- Working in a crowded office
- Hanging out with friends indoors
- Participating in team sports
- Singing, shouting in social gatherings
- Taking an airplane
