Waiting for COVID-19 Results

- If you receive negative test results:
  - Wait 10 days before returning to work or school.
  - If you develop symptoms, self-quarantine for 10 days and then 3 days of fever.
  - Take temperature checks at least twice a day.
  - If no fever, you can return to work or school.

- If you receive positive test results:
  - Stay home 10 days.
  - After 10 days, if fever is gone and other symptoms resolve, you can return to work or school.
  - If fever persists, see your doctor.

- For additional information, please visit www.cchealth.org.
WAITING FOR COVID-19 RESULTS

- Make sure all family members have been tested for COVID-19.
- Isolation as needed.
- Follow public health guidelines for isolation.
- Contact Contra Costa Public Health Communicable Disease Programs if you have any questions.
