

Contra Costa County
COVID-19 Youth/Young Adult Ambassadors

Youth and young adults are powerful agents for change and transformation in their communities. Many communities like those in Contra Costa County are currently in crisis because of COVID-19. In an effort to help reduce the spread of the virus, the **COVID-19 Youth/Young Adult Ambassadors** have been established in Contra Costa County.

The primary role of the Ambassadors is to help create youth/young adult focused messages about COVID-19 such as how to protect yourself from it, as well as how and where you can get tested for the virus. Once these messages are created the Ambassadors will be asked to use their social media platforms to share these messages with family, friends, and social media platform followers.

If you are a youth or young adult between the ages of 15-24 that is passionate about educating others about health and/or social justice issues, and you are committed to raising awareness about the importance of protecting yourself and others from the disease

WE WANT TO HEAR YOUR VOICE AND INVITE YOU

to partner with us to develop messages that will be core to this campaign.

We hope that you will consider applying to be a part of this group, applications must be submitted by Monday, August 3, 2020 at 5:00 p.m.

Youth/Young Adult Ambassadors Campaign Details

- Pay: \$525 Stipend
- Campaign Duration: July 2020 – December 2020

Youth/Young Adult Ambassadors Expectations

In order to receive stipend, Youth/Young Adult Ambassadors will be expected to work 35 hours in order to receive the stipend. Hours will include:

- One 3-hour training on how to educate others about COVID-19 and how to use social media platforms.
- Providing feedback through focus groups, surveys, and interviews on campaign materials.
- Educating others about COVID-19 through a variety of activities but primarily posting educational messages monthly on various social media platforms.
