We want everyone in our community to be safe and get back to hugging our families and friends and shaking hands with our neighbors. Getting the COVID-19 vaccine adds one more layer of protection for you, your family, and all of us.

Reach out to help your neighbors get a vaccine appointment when it is their turn. You can help protect loved ones and those in your community who:

- Don't have access to the internet or a smartphone
- May be confused navigating the online form
- Need a helping hand calling 1-833-829-2626 for an appointment

Appointments available at: cchealth.org/coronavirus or 1-833-829-2626.
