

Proof of COVID-19 Vaccination

Download a digital version of your CDC COVID-19 vaccine card privately, conveniently, and securely.

- 1) Visit myvaccinerecord.cdph.ca.gov
- 2) Enter your name and birthdate, mobile phone or email address and a 4-digit PIN
- 3) You will get a text or email with a link. Follow the link and enter your PIN to access your digital vaccination record

You can share the record on your smartphone screen to enter this business. The business may scan the QR code on your screen using an app, or read the information on the screen about when you were vaccinated.
