

Appendix C-2: Additional Activities

General Requirements

The “Additional Activities” listed below may resume, subject to the requirements set forth in the Order and to any additional requirements set forth below or in separate guidance by the Health Officer. These activities were selected to implement a measured expansion of activity based on health-related considerations including the risks of COVID-19 transmission associated with types and modes of activity, the ability to substantially mitigate transmission risks associated with the operations, and related factors, such as the following:

- **Increase in mobility and volume of activity**—the overall impact resumption of the activity will have on the number of people leaving their homes and interacting with others in the community;
- **Contact intensity**—the type (close or distant) and duration (brief or prolonged) of the contact involved in the activity;
- **Number of contacts**—the approximate number of people that will be in the setting at the same time;
- **Modification potential**—the degree to which mitigation measures can decrease the risk of transmission.

List of Additional Activities

For purposes of the Order, Additional Activities include all of the following:

(1) Small Social Gatherings

- a. Basis for Addition. Social gatherings of small groups of people who engage in support and recreational activities typical within households present a low risk for transmission of the virus that causes COVID-19 if the gatherings take place outdoors.
- b. Description and Conditions: Social gatherings of persons in a Social Bubble, as defined below, may take place if:
 1. The gathering takes place outside only, and
 2. The participants comply with all other applicable requirements under this Order.

Notwithstanding Section 15.k. of the Order, persons in Social Bubbles are not required to strictly adhere to Social Distancing Requirements while participating in social gatherings authorized under this section. However, persons in Social Bubbles who are over 12 years of age are required to:

1. Maintain six-foot social distancing from each other; and
2. Wear face coverings except when eating or drinking, in accordance with Health Officer Order No. COVID19-22 (the “Face Covering Order”).

(3) Use of Dog Parks

- a. Basis for Addition: Dog parks are located outdoors, where the risk of transmission is low, and typically provide ample space for people to distance from one another. Risks associated with the use of dog parks can be mitigated through measures that provide for adequate social distancing.
- b. Description and Conditions: People may use dog parks subject to the following limitations:
 1. An individual must not enter a dog park if it is not possible at that time, within the park, to easily maintain at least six feet of separation from all other persons.
 2. Face coverings must be worn at all times, except by persons to which an exception under the Face Covering Order applies.

(4) Use of Picnic and Barbecue Areas

- a. Basis for Addition: Picnic and barbecue areas are located outdoors, where the risk of transmission is low, and typically provide ample space for groups to distance from each other. Risks associated with the use of these facilities can be mitigated by restricting the use of these facilities.
- b. Description and Conditions: People may use picnic areas and barbecue areas subject to the following limitations:
 1. Picnic areas and barbecue areas may be used only by households or living units.
 2. Each picnic table may be occupied by only one household or living unit at a time.
 3. Each barbecue pit or grill may be used by only household or living unit at a time.
 4. Each member of a household or living unit must maintain at least six feet of separation from all members of other households or living units in the area. For clarity, members of the same household or living unit do not need to be six feet apart from each other.
